

Brenham Junior High Academic Awards

Dear Parents and Guardians,

January 2012

The following is a list of our academic awards criteria. You will notice that we will be taking all classes into the equation this year and dropping the weighted average for the AAP classes. The decision to do this was made to award students for their entire day and not just their core subject areas. As I stated in a previous letter, I am, very proud of our students that choose to take the AAP classes. Again, I hope the reason for the class is for the challenge and not the extra points. With the inclusion of the entire student schedule it will offset the weighted AAP classes from the past. If you have any questions or concerns, please feel free to contact me.

Criteria:

1. All classes will be included in the average
2. 90% or above average
 - a. 7th Grade --- 1st Semester
 - b. 8th Grade --- All of 7th Grade and 1st Semester of 8th Grade
