

BJHS School Supply List 2018-2019

**The following links will take you to websites where you can see examples of the types of supplies we are requesting. You do not have to buy from these websites. You also do not need to buy the exact brand or colors but please make sure you buy items that have the same features.

Binders - There are two styles due to the difference in price point. The fabric style binder will last the whole year and gives the students places to hold journals more easily, but the other style will work as well.

Standard 3-inch binder--- <https://bit.ly/2LVvMLz>

Binder w/ Expandable Folders--- <https://amzn.to/2LGsQW1>

Pocket Dividers - <https://bit.ly/2jheVZo>

Agenda/Student Planner - There are several styles of student planners; however, we have found this one to be the best for our students. Please try to buy this specific planner if possible. If not, please make sure that the planner you purchase is for students.

<https://amzn.to/2LRikDq>

Paper - <https://bit.ly/2JY272v>

Pencil Bag - Here are some options for pencil bags. Please keep in mind all pens, pencils, scissors, map colors, tape, highlighters and any other items will need to be in these bags. Last year, some students chose to have one small bag in their binder for heavily used items and a separate bag for the remaining items. Please choose what is best for your child.
