# **MULTI-DISCIPLINARY** EXPLORE YOUR FUTURE WITH THE FOUNDATION HIGH SCHOOL PROGRAM

Published by the Texas Workforce Commission 101 E. 15th St., Rm 0252, Austin TX 78778-0001 October 2016

**Figuring Out** what you want to do when but boy is it worth it! With the Foundation High School Program's endorsement options, you have the opportunity to explore classes and fields of study that interest you today so you can find your dream job tomorrow. In many of these courses, you will even get to experience what it's like to work in the jobs that interest you.

Remember: you have options, probably more than you have ever considered. With the Multi-Disciplinary endorsement you can explore more than one career or academic pathway, so your options remain more flexible. Many occupations require you to build knowledge from more than one endorsement. For example, Nurses are classified primarily under the Public Service endorsement, but also have a strong Science, Technology, Engineering and Math (STEM) component. Other multidisciplinary occupations include Historians, Animal Scientists, Biomedical Engineers and more.

So go exploring! Research your endorsement and career interest options before deciding which paths to pursue. The decisions you make about your education today will affect how well you enjoy your job in the future, how much money you earn, your future lifestyle, and so much more. So think it through, plan your future, and have fun!

#### WHAT IS THE FOUNDATION HIGH SCHOOL PROGRAM?

The *Foundation High School Program* is a detailed plan of 22 credits that you and all your classmates will have to earn in order to graduate from high school. See page 4 for details.

An *endorsement* is an option you can add to your high school diploma to show your knowledge and/or skills gained in one of five broad subject matter areas: STEM, Arts and Humanities, Business and Industry, Public Services, and Multidisciplinary Studies. To get an endorsement, you must complete a logical sequence of specific courses approved by your district.

If you have questions about which endorsement would be best for you, talk to your school Counselor!

### Keep in Mind

The career titles listed above are just a fraction of the possible occupation opportunities available within this endorsement area, so be sure to visit TWC's AutoCoder website to find other job titles that may interest you: http://autocoder.lmci.state.tx.us.

- Just enter a job title or a description in the appropriate search box, and you will get a list of the most common title matches.
- Click on the title that best matches the job that interests you, and a catalog of other, closely-related (or interchangeable) job titles will appear.

# Your Foundation High School Program Graduation Requirements

This table shows what every Texas student needs to graduate. Every student must earn the 22 credits under the "Foundation-Only" column. Your parents or guardians will need to give the school district written permission to allow you not to earn an endorsement. Otherwise you must pick an endorsement and earn 26 credits to graduate. Remember that your school district has the authority to establish requirements in addition to those listed here. Check with your school Counselor for more information.

Subjects and courses required for Foundation-Only Credits	Foundation- Only Credits	Foundation + Endorsement Credits	Distinguished Level Credits
<ul><li>English</li><li>English I, II, and III</li><li>Advanced English course</li></ul>	4	4	4

Total Credits	22	26	26

Students can earn one or more Performance Acknowledgments, in addition to any graduation program they follow, for any of the following areas: Dual Credit course; Advanced Placement or International Baccalaureate exam performance; Bilingualism and biliteracy; Earning a nationally or internationally recognized business or industry certification or license; PSAT, ACT-PLAN, SAT, or ACT score. Talk to your school Counselor for specific guidelines.

# Your Multi-Disciplinary Studies Endorsement Options

Students interested in earning the Multi-Disciplinary endorsement have several options. Once you've met your Foundation graduation requirements, you will need to successfully complete additional advanced courses in math and science (one each), plus electives, and choose **one** of the three options below to earn your remaining Multi-Disciplinary endorsement credits.

- 1. Complete four advanced courses that prepare a student to enter the workforce successfully.
  - a. These can be dual-credit classes taken on college campuses (as long as the course is not a remedial/ developmental level class)
  - b. These four classes can be within one endorsement area or several endorsement areas.
- 2. Complete four credits in each of the four foundation high school subject areas. Must include:
  - a. English IV
  - b. Chemistry
  - c. Physics
- 3. Complete four credits in AP (Advanced Placement), IB (International Baccalaureate), or Dual-Credit in the following areas:

**SIMPLE** 

**INSTRUCTIONS** 

for building your new

**TRAIN SET** 

**1: OPEN THE BOX** 

2:

- a. English
- b. Mathematics
- c. Science
- d. Social Studies
- e. Economics
- f. Languages other than English
- g. Fine Arts

#### TECHNICAL WRITER

Jobs projected in Texas by 2024: 5,040 You will need: a Bachelor's degree Typical starting pay is: \$46,501 a year Typical average pay is: \$70,009 a year Turnover: Average

Jobs projected in Texas by 2024: 9,570 You will need: Doctoral or professional degree Typical starting pay is: \$42,083 a year Typical average pay is: \$64,126 a year Turnover: Low

# The Real Deal

#### Using Labor Market Statistics to Filter through Career Options

It is important to think about how much money you'll earn in any given occupation. But you should consider many other labor market statistics to help you make informed choices.

Check out the information and numbers below for a few jobs in the Multi-Disciplinary Studies fields to see other important statistics you can discover on the Texas Career Check website. Use this information to help you determine what's important to you in a career.

## Cardiovascular Technologists and Technicians

You will: Conduct tests on pulmonary or cardiovascular systems of patients for diagnostic purposes. May conduct or assist in electrocardiograms, cardiac catheterizations, pulmonary functions, lung capacity, and similar tests.

- About 77 percent of jobs are in hospitals.
- Workers typically need a 2-year associate degree at a junior or community college; most employers also require a professional credential.
- Technologists and technicians with multiple professional credentials, trained to perform a wide range of procedures, will have the best prospects.

Projected state employment for 2024	6,530
Education needed:	Associate Degree or higher
2015 Average Annual Wage	\$53,879
Turnover:	Very Low

#### Surveyors

You will: Make exact measurements and determine property boundaries. Provide data relevant to the shape, contour, gravitation, location, elevation, or dimension of land or land features on or near the

earth's surface for engineering, mapmaking, mining, land evaluation, construction, and other purposes.

- About 7 out of 10 jobs were in architectural, engineering, and related services. Depending on specialization, may require as little as an Associate degree or as advanced as a Master's.
- Surveyors who have a Bachelor's degree and strong technical skills should have favorable job prospects.

Projected state employment for 2024	5,340
Education needed:	Bachelor's Degree
2015 Average Annual Wage	\$62,048
Turnover:	Low

# Web Developers

You will: Design, create, and modify Web sites. Analyze user needs to implement Web site content, graphics, performance, and capacity. May integrate Web sites with other computer applications. May

convert written, graphic, audio, and video components to compatible Web formats by using software designed to facilitate the creation of Web and multimedia content.

- Excellent job prospects are expected.
- Workers can enter this field with many different levels of formal education, but relevant computer skills are always needed.

Projected state employment for 2024	13,810
Education needed:	Associate Degree or higher
2015 Average Annual Wage	\$68,807
Turnover:	Very Low
